RECENT EVENT

PROCESS BASED ORGANISATION & ROLE OF TECHNOLOGY & DIGITALIZATION

Swami Sukhabodhananda ji recently addressed top CEOs of the GMR Group in Delhi on the topic of "Process-Based Organization and the Role of Technology & Digitalization." His insightful talk emphasized how adopting efficient processes, combined with the power of technology, can drive organizational growth and foster innovation. Swamiji stressed the importance of aligning digital transformation with human values to create a balanced, future-oriented corporate environment. The talk was well received by GMR's top management, including vice presidents, senior directors, and other leaders, inspiring them with a blend of spiritual wisdom and modern business strategies.

"THESE DISCUSSIONS UNITE LEADERS, SPARKING INSIGHTS THAT DRIVE GROWTH AND COLLECTIVE PROGRESS."
